REQUEST FOR PROPOSALS/INVITATION TO BID

The Village of Ahmeek, Michigan is soliciting bids for its galvanized, previously connected to lead, (GPCL) service line replacement, targeting nine water service lines at no cost to property owners.

Through this Invitation to Bid, the Village seeks qualified contractors to remove lead service lines from the curb stop in the adjacent alley, to the interior water meter of each residence and replace each with ¾" water service pipe, Type K copper. This work will be accomplished by digging down approximately four feet and following the existing service line to the meter.

Following line replacement and backfill, the disturbed area will be covered with topsoil, (if necessary) seeded and covered with straw to ensure an appearance just as good, if not better, than prior to the work being started. Any forms of concrete that are disturbed in the process shall be replaced or repaired to the original condition. Any other work deemed appropriate for site restoration shall be included with the bid.

Work is expected to begin in July or August 2026 and substantially complete by September 2026. The work involves nine residences within the Village of Ahmeek and each installation will require a run of approximately sixty feet.

38 Bollman Street, 49 Bollman Street, 57 Bollman Street

8 Senter Street, 42 Senter Street

1 Vivian Street, 2 Vivian Street, 45 Vivian Street, 56 Vivian Street

The Village of Ahmeek reserves the right to waive any informalities, or to reject any or all bids and to award the contract to the lowest, responsive, and responsible bidder. All bidders shall submit, upon request, a list of projects "successfully completed" in the last two years, having the same scope of work and approximate construction cost as specified in this project. All bidders must comply with requirements of Michigan law, regarding licensing and be certified for the type of work on which the proposal is submitted. Bidders must also be properly insured. The winning bidder shall develop a schedule in conjunction with the Village of Ahmeek Project Manager, to ensure residents are prepared for this work.

Proposals shall be submitted via email to AhmeekVillage@gmail.com, no later than 5:00 p.m. on July 15th, 2026. Proposals will be reviewed by the Village Council no later than August 5th, 2026. All contractors who submitted proposals will be notified of the award status no later than three days following proposal review.

Any questions regarding this solicitation may be directed to AhmeekVillage@gmail.com
